**Protecting Innocence: Parenting, Your Kids and the Internet.** Matt Fradd shows how the changes in the types and accessibility of pornography being promoted today make it far more dangerous and harmful than ever before. Our ministry's upcoming Sea Container Collection is an important project for Fr. Isaac. The items we collect go directly to support the rectory, church, school and chapels. Financial donations are also appreciated to help cover the cost of shipping as well as other projects Fr. Isaac has identified. His priorities include the school lunch program, and textbooks for secondary grades required to take standardized tests.
